Looking for a Job? ^[1]

If you're job-hunting, you owe it to yourself to check out this powerful resource. **Job & Career Accelerator** ^[2] is a companion to **LearningExpress Library** ^[3], one of our most popular databases. Register by using your Library barcode and make up your own password. If you have already used LearningExpress Library, you may use that same login and password. Check out these cool features:

- **Comprehensive career information:** A fully integrated interest assessment, career exploration, and job search platform helps job seekers explore careers that match their interests and expectations and build a personalized occupation knowledge base.
- **Powerful resume creation:** The industry's most powerful Resume Builder, packed with more than 120 model resumes, 750 action words, and nearly 25,000 keywords by specific job classification.
- **Occupational exploration:** Over 1,000 Occupation Profiles allow job seekers to explore and compare occupations in detail including up to date wage and salary data, expected growth, key responsibilities, education requirements, and more.
- **Real-time job & internship opportunities:** An integrated database of over 5 million up-to-date job and internship opportunities, aggregated from leading job boards, classified ads, and other websites allows job seekers to search job openings based on interests and locations.
