

Learning Express Library Registration

LearningExpress LIBRARY™ contains downloadable texts covering computer skills, high school equivalency, college entrance exams, career guides, skills building and more. Create an account in Learning Express and add any eBook to your learning center for later access or download the PDF “how to guides” on each site for step-by-step instructions and answers to your frequently asked questions. Some online courses require Internet access.

1. If you have the WFPL mobile app installed
 - a. Open the app
