WFPL App Installation Directions

The Wichita Falls Library App allows library catalog searching and account management: renewing items and placing items on hold.

1. Open your mobile device’s app store
2. Search for “Wichita Falls Public Library”
3. Install the app that is from Solus UK Ltd
4. Open the app
5. Allow Access Location
6. Touch My Account
7. Touch Sign In
8. Scan or enter your Library Barcode & Pin (last 4 of your phone #) - If you don’t remember what this is, contact the library
9. Touch Login
10. You can also link additional library card accounts under My Account
11. If you need assistance, call the Information Desk at 940-767-0868, ext 4234
